March 28, 2006

The Honorable Lawrence Denney
Majority Leader

Dear Representative Denney:

Thank you for your continued interest in the establishment of an Emergency Medical Services (EMS) Physician Commission that would assume the current authority of the state Board of medicine specific to EMS.

The EMS Bureau is sensitive to your concerns about the difficulty for rural volunteer ambulance services to accommodate state mandates with significant cost implications. I am writing this letter to address rulemaking pursuant to the authority established in the revised version of S 1342 (currently known as RSPAP214) as passed during the 2006 Legislative Session. If any such rulemaking has significant financial implications on rural volunteer EMS agencies, that financial impact will be borne by the state.

We have a proud history of accommodating the needs of local EMS agencies as they evolve to provide better quality patient care and emergency transportation. I look forward to continuing to work with you on improving the performance of the Idaho EMS system.

Sincerely,
/s/ DIA GAIMOR
Chief, Emergency Medical
Services Bureau
